March 4, 2004

Dear family of deployed soldiers in HHC, 312th Military Intelligence Battalion,

Hopefully by now everyone has received word that the main body of our unit made it to Kuwait safely. They are now at Camp Doha. They will be conducting training there for a couple weeks and then move to Camp Victory, which is in Iraq. When they get to Camp Victory, they will be living in trailers. They will have a PX within walking distance and Brown & Root will be running the Dining Facility. Right now, all are dry, healthy and getting situated. I am told it is a perfect 75 degrees there and the soldiers are enjoying the great weather.

I am enclosing a business card with many ways to contact the Family Readiness Group and the Rear Detachment. Please put this in your wallet or on your refrigerator. This is meant to provide you with a handy way to keep track of these important numbers.

I will try to send out hard copies of newsletters once per quarter. If you have an email address and you would like to get a copy monthly, please email me. I will be more than happy to accommodate you and keep you informed of all new information.

If I have sent you this letter in error, please let me know so I can remove you from the distribution. Please advise me when you have a change of address.

If you have any questions, please call or send me an email. I look forward to hearing from you.

Sincerely,

HHC, 312th MI Family Readiness Group Leader
